Introduction

Three decades ago, the building that now houses Core Ibiza Town Hotel, formerly known as Apartahotel Los Robles, emerged in the heart of Ibiza Town.

However, evolution is inevitable, and thus a new era is born for this building. A complete renovation, finalized in 2024, has transformed this haven into a modern 4-star boutique hotel, maintaining its cozy charm while enhancing its level of service and comfort. Core Ibiza Town Hotel now stands as a contemporary landmark in the heart of Ibiza Town, at the crossroads of Vara del Rey and the Paseo Marítimo.

The name, "Core," embodies the essence of the hotel. We are an urban retreat in the bustling center of Ibiza Town. Thus was born Core Ibiza Town Hotel, where the spirit of genuine locals embraces you, making you one of them.
